The 2020 Ice Jamboree and Meat Raffle is one of the most important fund raisers of the year for our club. It helps fund all of our benevolent activities including our college scholarship program, Kids' Fishing Days, WI Fish Stocking and obtaining outstanding speakers for our meetings, and a whole host of other benevolent activities that define us as an organization and differentiate Walleyes Unlimited from every other fishing club in the country.

This is our largest fund raiser of the year so please help support this fine effort.
