

## Our Story...

Founded in 1969, Walleyes Unlimited USA is now recognized as one of the top multi-species fishing clubs in the country and has been educating anglers for our fiftieth year. *In May of 2007 Walleyes Unlimited USA was honored to be inducted into "The Fresh Water Fishing Hall of Fame."*

Our club attracts a wide variety of anglers and skill levels. By sharing information, Walleyes Unlimited members learn the latest techniques and methods and locations for a variety of species. Although our main interest is on walleyes, our membership includes some of the top local anglers for smallmouth, largemouth, northern pike, muskie, panfish, salmon and other great lakes fish. Whether you are a novice or hard-core fanatic, our meetings and membership can increase your skill and knowledge for most freshwater species of fish. Guests are welcomed at meetings for only a \$5.00 Guest Fee.

## Illinois Meeting | Wednesday, December 30<sup>th</sup> | 7:00 PM

### Club Member – Jerry Zegar

#### ***DOOR COUNTY WHITEFISH – THROUGH THE ICE***

Club Member Jerry Zegar has a passion for catching whitefish through the ice in Door County. Not only are they fun, and a challenge, to catch but also delicious to consume whether smoked or not.

Jerry makes several treks up north each year to catch these elusive and finicky fish. He also has led many club outings in this area. Zegar will teach us how to prepare for the trip and provide many techniques for locating and catching whitefish through the ice as well as ice safety tips. Many of our members make trips to this area each winter so this will be a timely presentation.

**The status of this meeting is dependent upon the local government and venue guidelines for social gatherings; Face masks will be required, and reservations are necessary; please check the website for up-to-date details.**
