

Wisconsin Meeting

Pallas Restaurant | 1657 S. 108th St. | West Allis, WI 53214

Date: Wednesday, May 27, 2020

Speakers: Keith Hahn, Jim McDonald, & Phil Piscitello (Club Members)

Topic: *Fox Chain O' Lakes Panel Discussion*

We are bringing this panel discussion up to our Wisconsin meeting site so that this group of experienced Chain O' Lakes anglers can share their detailed information about this large body of water.

If you have never been to a members panel discussion you are in for a treat because there will be a plethora of information & details shared that one might not normally get.

Each of these anglers have spent time guiding and fishing the Chain O' Lakes throughout the year and will enlighten the members on some little details & techniques that will help you locate and catch more fish.

This presentation should also help our Wisconsin members that have been somewhat hesitant about getting involved in our Veterans Outing in September each year. By the time they are done you'll have more than enough information to help with our yearly

event that has been enthusiastically accepted by the Veterans.

Block out this date and make plans to get to this meeting and it will be full of information you will not find anywhere else!
