

Wisconsin Club Meeting

Date: Wednesday, May 26, 2021

Speaker: Noah Humfeld | *Madison Angling Guide Service*

Topic: *Seasonal Multi-Species Tactics on the Madison Chain of Lakes*

Noah Humfeld owns and operates the *Madison Angling Guide Service*. He offers a multi-species service the Madison Chain of Lakes, one of the most prolific fisheries in south central Wisconsin.

Noah Humfeld is a full-time guide who will show us proven successful techniques on how to target fish on the Madison Chain of Lakes. Whether you are looking for a good time

with buddies, or an educational outing on these lakes, he will help put you on fish and help take your angling ability to the next level. Targeted species he fishes include Muskie, Northern Pike, Walleye, Bass, Carp, Catfish, and Panfish.

Noah's presentation on this night will include the overall strategies to use for all game fish throughout the seasons on the Madison Chain of Lakes. What, when, and where to use depending upon the species you plan to target.

Pre-registration is required as attendance will be limited due to local guidelines and we will adhere to other local restrictions – social distancing, face masks, etc.

Please email Bob Clark at robtmclark@aol.com to make a meeting reservation. Unless you hear back from Bob after making a reservation request, your request has been accepted.
