

Our Story...

Founded in 1969, Walleyes Unlimited USA is now recognized as one of the top multi-species fishing clubs in the country and has been educating anglers for our fiftieth year. *In May of 2007 Walleyes Unlimited USA was honored to be inducted into "The Fresh Water Fishing Hall of Fame."*

Our club attracts a wide variety of anglers and skill levels. By sharing information, Walleyes Unlimited members learn the latest techniques and methods and locations for a variety of species. Although our main interest is on walleyes, our membership includes some of the top local anglers for smallmouth, largemouth, northern pike, muskie, panfish, salmon and other Great Lakes fish. Whether you are a novice or hard-core fanatic, our meetings and membership can increase your skill and knowledge for most freshwater species of fish.

Captain Lance Valentine – Walleye 101 | *HOW TO CATCH MORE TROPHY WALLEYES*

Captain Lance Valentine began "Walleye 101" in 1998 and has since grown it into a trusted source for information, education, and tackle. Lance takes educating anglers seriously, and due to that, has gained a large following of recreational and tournament fishermen who seek his advice on presentations, equipment usage and products. As a full-time guide and fishing educator, he is always learning and passing that knowledge on to his audience.

Valentine is recognized as an expert on fishing the Detroit River, Saginaw Bay, Lake Erie and on using Lowrance electronics. His "Walleye 101" and "TeachinFishin" brands have become well known by providing education, information and products to an industry that is constantly changing, while maintaining a level of integrity that is unsurpassed in the fishing industry. Lance truly feels God's presence in his business and knows that what he is doing is more important than fishing. Valentine's mission statement is simple; "to help others, regardless of skill level, get more enjoyment from fishing by providing easy to understand, up to date and proven information, education and products".

Meeting "virtually," affords us the opportunity to feature an outstanding speaker that fishes Erie and other big water eastern locations. Not only is Lance a renowned walleye guide but know also for his ability to educate anglers on how to target and catch walleyes.
