

2021 37th ANNUAL KIDS FISHING CLINIC HAS BEEN CANCELLED

[Image Gallery](#) | [Clinic Flyer](#)

All DNR-sponsored in-person events remain on pause until further notice. We do not have a date to re-open these types of events, including fishing clinics. We have been exploring virtual programming – we know that hardly compares to people being able to learn directly from you at clinics. We will reach out as soon as we learn something different. In the meantime, stay well.

**Thank you for your patience.
WIDNR**

This is another of our events encouraging children to participate in the great outdoors and the sport of fishing. The 36th annual event is sponsored in cooperation with the Wisconsin Council of Sport Fishing Organizations; Milwaukee, Racine, Washington and

Waukesha County Parks; Milwaukee County House of Correction Fish Hatchery; and the Department of Natural Resources.

The Scout Lake Clinic is located at 5902 W. Loomis Rd. in Glendale, WI. We conduct clinics on open water fishing and safety around the water. Members also help the kids fish. Fishing instruction is free for children 15 years and younger. Children must be accompanied by an adult.

Clinics begin every hour from 9:00 a.m., with the last clinic starting at 2:00 p.m. Fishing equipment will be available for the kids. No pre-registration is necessary. Instruction includes: Fishing Techniques, Equipment Use, Knot Tying, Safety and Fish ID. We are desperately needing volunteers for this event.

Brian Boelter and Brad Miller are spearheading this event and are in need of assistance from our membership. Please give Brian a call or email him and step up and help us & the kids out.

Contact Coordinator: Brian Boelter at 262-628-1570 or email him at bdboelter@charter.net

Sincerely,

Brian Boelter & Brad Miller
