This is another of our events encouraging children to participate in the great outdoors and the sport of fishing. The 38th annual event is sponsored in cooperation with the Wisconsin Council of Sport Fishing Organizations; Milwaukee, Racine, Washington and Waukesha County Parks; Milwaukee County House of Correction Fish Hatchery; and the Department of Natural Resources.

The Scout Lake Clinic is located at 5902 W. Loomis Rd. in Greendale, WI. We conduct clinics on open water fishing and safety around the water. Members also help the youngsters fish. Fishing instruction is free for children 15 years and younger. Children must be accompanied by an adult.

Clinics begin every hour from 9:00 a.m., with the last clinic starting at 2:00 p.m. Fishing equipment will be available for the

kids. No pre-registration is necessary. Instruction includes: Fishing Techniques, Equipment Use, Knot Tying, Safety and Fish ID. We are desperately needing volunteers for this event.

Brian Boelter and Brad Miller are spearheading this event and are in need of assistance from our membership. Please give Brian a call or email him and step up and help us & the kids out.
