

Our Story...

Our club attracts a wide variety of anglers and skill levels. By sharing information, Walleyes Unlimited members learn the latest techniques and methods and locations for a variety of species. Although our main interest is on walleyes, our membership includes some of the top local anglers for smallmouth, largemouth, northern pike, muskie, panfish, salmon and other great lakes fish. Whether you are a novice or hard-core fanatic, our meetings and membership can increase your skill and knowledge for most freshwater species of fish. Guests are welcomed at meetings for only a \$5.00 Guest Fee.
