

Our Story...

Our club attracts a wide variety of anglers and skill levels. By sharing information, Walleyes Unlimited members learn the latest techniques and methods and locations for a variety of species. Although our main interest is on walleyes, our membership includes some of the top local anglers for smallmouth, largemouth, northern pike, muskie, panfish, salmon and other great lakes fish. Whether you are a novice or hard-core fanatic, our meetings and membership can increase your skill and knowledge for most freshwater species of fish. Guests are welcomed at meetings for only a \$5.00 Guest Fee.

CAPTAIN MIKE KAREMPELIS – WALLEYES AND MORE LLC

EARLY SEASON STRATEGIES – GREEN BAY AND DOOR COUNTY

Captain Mike Karempelis fishes the waters of Door County and Green Bay, WI on a daily basis, which is a key factor in making sure he is able to stay in contact with fish throughout the season. This experience on a large body of water like the Bay of Green Bay can prove invaluable when it comes to consistently producing fish despite changing conditions and seasonal movements. He has been a full-time guide on these scenic waters for over a decade, specializing in trophy walleyes and smallmouth bass.

Captain Mike has been featured in magazines such as In-Fisherman Walleye Guide, Walleye Insider, Great Lakes Angler, and co-hosts the WDOR Door County Outdoors Radio Show, a weekly show which highlights the great fishing opportunities Door County, and the Bay of Green Bay, has to offer. He is sponsored by some of the industry's top companies, including Nitro Boats, Mercury, and Sport-O-Motive.

Whether you're after walleyes, smallmouth bass, northern pike or any of the other great opportunities available, Captain Karempelis will know when and where the fish are biting and will let you know in advance the best times of the year to target each species.

Come prepared to learn how to prepare for next spring from one of the top guides in this area. Members and guests will have a holiday treat as they plan for next spring to catch walleyes, smallmouth, and more in an area that many of visit.

**Join us at Wisconsin meetings on the following months –
