

## Our Story...

Founded in 1969, Walleyes Unlimited USA is now recognized as one of the top multi-species fishing clubs in the country and has been educating anglers for over 50 years. *In May of 2007 Walleyes Unlimited USA was honored to be inducted into "The*

*Fresh Water Fishing Hall of Fame."*

Although our main interest is on walleyes, our membership includes some of the top local anglers for smallmouth, largemouth, northern pike, muskie, panfish, salmon and other Great Lakes fish. Whether you are a novice or hard-core fanatic, our meetings and membership can increase your skill and knowledge for most freshwater species of fish. Guests are welcomed at meetings for only a \$5.00 Guest Fee.
