

## Our Story...

Founded in 1969, Walleyes Unlimited USA is now recognized as one of the top multi-species fishing clubs in the country and has been educating anglers for over 50 years. In May of 2007 Walleyes Unlimited USA was honored to be inducted into "The Fresh Water Fishing Hall of Fame."

By sharing information, Walleyes Unlimited members learn the latest techniques and methods and locations for a variety of species. Although our main interest is on walleyes, our membership includes some of the top local anglers for *smallmouth, largemouth, northern pike, muskie, panfish, salmon and other Great Lakes fish*. Whether you are a novice or hard-core fanatic, our meetings and membership can increase your skill and knowledge for most freshwater species of fish. Guests are welcomed at meetings for only a \$5.00 Guest Fee.

*Learn more at [walleyesunlimitedusa.org](http://walleyesunlimitedusa.org) or our Facebook page. Note that all meetings and events will follow local government and venue guidelines regarding the pandemic. Please check the club website for any updates.*

## Special Event

**Indoor Fishing Swap Meet & Sale | Saturday, March 19<sup>th</sup> | Sale Hours 8:00 AM – 1:00 PM**

**\$2.00 Admission (18 and under – FREE) | Fox Lake American Legion | 703 N. US Rt. 12 | Fox Lake, IL 60020**

After a two-year hiatus, we will once again hold our Annual Swap Meet where you will find a wide array of new and used fishing tackle for walleye, bass, muskie, salmon, panfish and more – first come first served. You will also find boating equipment and other marine items. There will be a Walleyes Unlimited USA Donation/Sale Table where proceeds will be used to support the club's community and benevolent events. Beverages will be available for purchase.

**Wisconsin Meeting | Tuesday, March 29<sup>th</sup> | 7:00 PM**

**Note New Wisconsin Meeting Location & Day Below**

**Tim Newman – Brew City TMS**  
**Comparing New Live Sonar Technology –**  
**Lowrance, Garmin, & Humminbird**

Tim Newman is a long-time supporter of our club and has serviced trolling motors for many of our members. He recently developed a new product the CT-360. The CT360 is heavy duty low profile versatile pole mount made for the Lowrance ActiveTarget, Garmin Live Scope, and Humminbird Mega Live. Newman will be concentrating much of his time on selling the CT-360, installing electronics, and teaching anglers how to use their electronics. He will also continue to fish professionally.

Tim began fishing tournaments a few years ago including the Cabela's National Walleye Tour, first as a Co-Angler beginning in 2015 and then as a Professional the last two years. A few of his sponsors include, Vexus, Mercury Marine, M-W Marine, and St. Croix.

The use of live sonar technology has exploded and Tim has been on the forefront as new technology was introduced. A key element in using this new technology is how to adapt the transducer for each angler's use. Newman's new product, the CT-360, is very versatile and been used successfully by many to improve their results by efficiently catching more and bigger fish. He has used all three brands in his boat and will be showing us the advantages of each to help you learn how to achieve the results you seek. This will be an excellent time to learn from Tim about all three brands from an unbiased professional who uses all three brands.

Join us at Wisconsin meetings on the last Tuesday of the following months – Jan. | Mar. | May | July (Alt. Location) | Sept. | Nov.  
Hideaway Pub & Eatery | 9643 S 76th St. | Franklin, WI 53132

Join us at Illinois meetings on the last Wednesday of the following months – Feb. | April | June | Aug. (Alt. Location) | Oct. | Dec.  
American Legion | 749 Milwaukee Ave. | Gurnee, IL 60031
