

**Wisconsin Meeting | Tuesday, May 31<sup>st</sup> | 7:00 PM**

**Club Member – Carl Kaufmann**

***Sharing Tips for Year-Round Bass Success  
Local Lakes & Great Lakes***

Carl Kaufmann is a long-time club member, past president, current trustee, Hall of Fame member and has been a multiple Club Championship winner of the annual fishing contest. Carl is known as one of the top guides for local waters although he is winding down that portion of his fishing and spending most of his time on the water fishing for pleasure and entering fish in the club contest.

Kaufmann has been one of the most accomplished multi-species anglers in our club showing many younger club members how to catch not only numbers of fish but trophies as well on many local lakes and several locations on the Great Lakes. Many of us have witnessed his amazing ability to get on a body of water and break down what is happening that day and figuring out how to find and catch fish.

Carl has always delivered excellent fishing reports at club meetings. He has decided to now begin sharing more and more of his information. He will be showing us many techniques on how to find trophy fish on local waters like Delavan and Geneva plus big waters like Door County and Lake Michigan. This will be a rare treat for our members as well as many expected guests.
