Captain Mike Karempelis – Walleyes and More LLC
Early Season Multi-Species Strategies –
Green Bay and Door County

Captain Mike Karempelis fishes the open waters of Door County and Green Bay, WI on a daily basis, which is a key factor in making sure he is able to stay in contact with fish throughout the season. This experience on a large body of waters like the Bay of Green Bay, Sturgeon Bay, and Door County can prove invaluable when it comes to consistently producing fish despite changing conditions and seasonal movements. He has been a full-time guide on these scenic waters for well over a decade, specializing in trophy walleyes and smallmouth bass.

Captain Mike has been featured in magazines such as In-Fisherman Walleye Guide, Walleye Insider, Great Lakes

Angler, and also co-hosts the WDOR Door County Outdoors Radio Show, a weekly show which highlights the great fishing opportunities Door County, and the Bay of Green Bay, has to offer. He is sponsored by some of the industry's top companies, including Nitro Boats, Mercury, and Sport-O-Motive.

Whether you're after walleyes, smallmouth bass, northern pike or any of the other great opportunities available, Captain

Karempelis will know when and where the fish are biting and will let you know in advance the best times of the year to target each species.

Come prepared to learn how to prepare for next spring from one of the top guides in this area. Members and guests will have a holiday treat as they plan for next spring to catch walleyes, smallmouth, and more in an area that many of us visit. Here are some past testimonials from Mike speaking at our club... *"Attended a Walleyes Unlimited USA meeting last night. Mike was the guest speaker. I have been a member for 25 plus years and have heard many good speakers, but Mike's talk ranked up there with the best of them and when I say them, I mean like the top five."* *"Great seminar last night! I learned a lot about fishing Door County, and I really liked the Power Point, especially the videos and graphics!"* Learn more about Mike at walleyesandmore.com and on Facebook at Walleyes and More Sport Fishing Charters.
