Speaker: Captain Brett Jolly – Wisconsin Fishing Guide Service
Topic: *JIGGING FOR GREEN BAY Walleyes*

Captain Brett Jolly is a full-time licensed fishing guide, United States Coast Guard licensed charter captain, and tournament angler from Mosinee, Wisconsin. Brett specializes in guiding the waters of the Bay of Green Bay for walleye, perch and musky. He has been guiding on the Bay of Green Bay full-time for over 18 years. Jolly also guides several locations in central Wisconsin.

Brett is frequently seen on television as a regular guest host on John Gillespie's Waters and Woods. He's also been featured on Midwest Outdoors and a handful of other TV shows. Brett has been featured in several magazines and Gannet Wisconsin Newspaper articles. Captain Jolly's promotional partners include Ranger Boats, Mercury Outboards, Acme Tackle Company, Humminbird and Minn Kota, Clam Outdoors and Blackfish Gear, Musky Innovations.

While many anglers troll for walleyes on Green Bay at certain times, Brett's presentation will be focused on jigging techniques for walleyes throughout the open water season. Many of our members fish Green Bay and will be interested in learning more about how to successfully jig for walleyes at all times.
