Warren Zaren has been fishing in Open Bass Tournaments in Wisconsin for over 40 years. He has been honored with winning 10 Team events, including the 2023 WABTA Big Green Open. Warren is on the Mercury Pro Team, Lund Pro Staff, and M-W Marine Pro Team. His research has been published in the In-Fisherman Magazine and other publications. Before retirement from his full-time occupation, he worked in Research/Development and Engineering for a Wisconsin Top Manufacturer company.

Zarren brings an analytical, common sense, approach to his seminars. He was well received a few years ago when he spoke at our club about the importance of color in our angling adventures. His seminar for this meeting will cover the crayfish connection to our bass angling.
