Isaac Lakich – *Professional Walleye Angler*

Isaac Lakich is a Professional Walleye Tournament angler and Guide from Richfield, Wisconsin, and is one of the younger *Professional Walleye Series* anglers this season. Isaac has a very impressive fishing resume in his short career with 1st place finishes in several major circuits including *Green Bay Walleye Series* (2019), *MWC* (2019 Leech Lake and 2020 Green Bay), and *AIM 2020 Championship* on Lake Winnebago. He also is a back-to-back team of the year award winner on the *MWC* circuit. Most recently winning the *2024 Aim Wisconsin Championship*.

When not fishing competitions, you can find Isaac guiding on Green Bay for trophy walleye and bass or in Montana for elk and deer. A lifelong outdoorsman and promoter of conservation on the water or in the woods across the country! When Issac is not on the water, he does a lot of bait making where he pours his own jigs and plastics.
