Speaker: Captain Derek Boeger –

Alexander Sport Fishing Guide Service

Topic: *FISHING MULTI-SPECIES –*

GREEN BAY AND DOOR COUNTY

Derek Boeger is a top guide for Alexander Sport Fishing Guide Service on Lake Michigan, Green Bay, Door County, and nearby areas. Derek has been fishing for over 60 years. He enjoys showing his clients cutting-edge techniques, new baits we use, and some that are still in development. Alexander's guide service fishes twelve months of the year. They stay on all the hot bites and will show you how to transition to different bites based on the time of year

The Green Bay area is an excellent multi-species destination. Derek will be able to take you to the areas where various species are active depending upon the time of year and catch the species you want to target.

Boeger will be telling about the various species and targets throughout the open water season with emphasis on the fall techniques to catch trophy fish.
