Speaker - Travis Motl – Fisheries Biologist WIDNR

Current Status of South East Wisconsin Lakes

Travis Motl is a Senior Fisheries Biologist with the *Wisconsin Richard Bong State Recreation Area* near Burlington, WI and responsible for fisheries management of public waters in Kenosha, Racine and Walworth Counties.

Travis has worked his entire 16-year career in southeast WI and previously covered Dodge, Fond du Lac, Jefferson, Ozaukee, Sheboygan and Washington Counties. He has managed many types of waters and fish communities across southeast WI and gained a unique perspective by connecting with many different user groups.

Travis will present results from the Geneva Lake fisheries survey. This will be a great opportunity for members and guests to learn more about this world-class fishery and ask their questions about Geneva Lake.
